## APRON FUNDRAISER ORDER FORM

### The Apron Story: Amanda from Oklahoma

As Told By: Jacquelyn Hudgins CPS/CAP

While traveling through Oklahoma in the spring 2009, I stopped by an Amish bakery. I noticed some aprons for sale. One apron was made of fabric with grapes and grapevines. I immediately thought of the 2012 Grapevine IEFAM. I asked the person behind the counter if she could connect me with the person who made the apron. She did and that's how I met Amanda.

Amanda is an Amish lady in her 80's. I met Amanda at her home in the country, not far from the store where her handmade aprons are sold. She told me her husband, who is older than she, is sick and having a difficult time working and providing for the household. She decided she would do what she could to help bring in money to pay for her family's needs. This apron was handmade on a treadle sewing machine and pressed with an iron actually made of iron!

By purchasing this apron, you will not only support the 2012 IEFAM but will help a family in need. Remember, you can purchase an apron or aprons for numerous occasional and Christmas gifts. We appreciate your support in this fundraising endeavor very much!!
