August 10 – “Bite Back When Businesses & Scammers Do You Wrong!” with Dave Lieber, Watchdog Columnist for The Fort Worth Star Telegram.

There's nothing funny about getting hurt by a scammer or your bank or credit card company. But if anyone can get you to laugh at these heartless institutions and show you how to beat them at their own (bad) game, it's Dave Lieber. Dave is entertaining and highly informative. He shares the latest news you can't find anywhere else on scams and corporate thievery.

His Watchdog Nation® won two national book awards in 2009 for social change. If you want to laugh and learn how to be a super-hero in your own life, come see Dave Lieber's Watchdog Nation.

This is one meeting you don't want to miss!
